

# HOUSE COCKTAILS

## MARGARITAS

Our margaritas start with 100% agave Blanco Tequila, then we add Triple Sec, real lime juice and pure agave nectar. Shaken. Not stirred. Never blended.

|                                                                                 | 1.5oz | 3.0oz |
|---------------------------------------------------------------------------------|-------|-------|
| <b>CLASSIC LIME</b>                                                             | 13    | 18    |
| *Make it a Spicy Margarita with jalapeños + \$1                                 |       |       |
| <b>HABANERO CUCUMBER</b>                                                        | 14    | 19    |
| Habanero infused Agave for a touch of heat. And fresh cucumber to cool it down. |       |       |
| <b>COCONUT GINGER</b>                                                           | 14    | 19    |
| Coconut milk and ginger puree.                                                  |       |       |
| <b>UNO MAS MARGARITA</b>                                                        | 15    | 21    |
| Reposado and Grand Marnier. A step up from the Classic.                         |       |       |
| <b>MEZCALARITA</b>                                                              | 14    | 19    |
| The classic lime margarita with the smoky flavour of Mezcal.                    |       |       |
| <b>BEERGARITA</b>                                                               |       | 15    |
| Our classic margarita topped with craft lager.                                  |       |       |

## COCKTAILS

|                                                                                                                                                                           |     |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| <b>PISCO SOUR (2oz)</b>                                                                                                                                                   | 16  |
| Pisco is a grape brandy produced in winemaking regions of Chile and Peru. Shaken on ice with lime, agave and Miraculous Foamer (*vegan) with a splash of rhubarb bitters. |     |
| <b>BASIL GIN SPRITZ (3oz)</b>                                                                                                                                             | 19  |
| Basil infused gin, Aperol, lemon juice, orange blossom water and agave. Shaken on ice and topped with tonic.                                                              |     |
| <b>OAXACAN NEGRONI (3oz)</b>                                                                                                                                              | 19  |
| Fandango Mezcal, Campari and Sweet Vermouth.                                                                                                                              |     |
| <b>SADDLE SIPPER (2oz)</b>                                                                                                                                                | 16  |
| Maker's Mark Bourbon, jalapeño infused agave and orange bitters.                                                                                                          |     |
| <b>MEXICAN GEISHA SHOOTER</b>                                                                                                                                             | 8.5 |
| Tequila Blanco with a splash of Lychee liqueur and lime.                                                                                                                  |     |
| <b>THE CHILI-BACK</b>                                                                                                                                                     | 9   |
| Tequila Blanco with a spicy habanero pickle juice chaser.                                                                                                                 |     |
| <b>THE BARTENDER</b>                                                                                                                                                      | 12  |
| Blanco Tequila shooter and a bottle of Pacifico.                                                                                                                          |     |

## ZERO PROOF COCKTAILS

|                                                                                                                       |   |
|-----------------------------------------------------------------------------------------------------------------------|---|
| <b>THE SOBER SOUR</b>                                                                                                 | 9 |
| Hibiscus-agave syrup, lime juice, apple juice and apple cider vinegar. Shaken on ice with Miraculous Foamer (*vegan). |   |
| <b>BLACKBERRY FRESCA</b>                                                                                              | 9 |
| Blackberry puree, lemon juice, vanilla agave. Shaken on ice and topped with sparkling water.                          |   |
| <b>HORCHATA</b>                                                                                                       | 9 |
